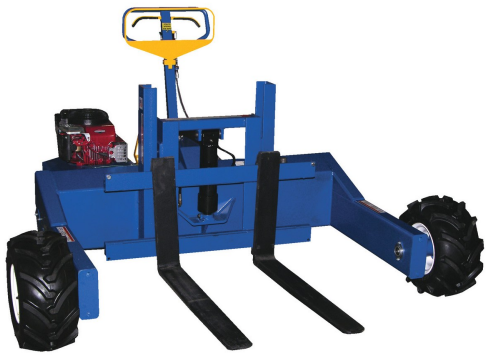
Steel 190CC Gas Powered Drive and Lift All-Terrain Pallet Truck 36 In. Long Adjustable Width Forks 2,000 Lb. Capacity Blue

MODEL ALL-T-2-GPT

Ergonomic Solutions / Gas Powered All Terrain Pallet Trucks & Stackers



PRODUCT OVERVIEW

The gas powered all terrain pallet truck is great for moving heavy loads over rough terrain. Powered by a Briggs & Stratton gas powered engine for both the power traction drive and fork lift/lower. The handle has forward reverse speed control and dead man safety switch. The hydrostatic transmission has a hand-operated forward and reverse selection. The fork raise and lower is powered by a control lever. The steer wheels are pneumatic and the wheels include sealed bearings for outdoor use.

KEY FEATURES

- Three position handle makes operation easy
- Unique design easily rolls on pneumatic tires
- Welded steel tubular frame construction provides maximum strength
- Sealed bearing wheels provide dust protection and long life
