Steel Tool Box Expanded Metal 13 Cubic Feet 24 In. x 36 In. 2,000 Lb. Capacity Yellow

MODEL TBS-2436-XM-13

Industrial Carts & Dollies / Expanded Wire Toolbox

PRODUCT OVERVIEW

An expanded metal tool box is a convenient way to hold products in a safe setting. The mesh design allows the items contained in the tool box to remain visible while remaining secure. The box rolls on casters for simple movement around multiple areas. An extended handle also lets the users remain in an ergonomic position while diminishing slouching during movement. Unit includes a yellow colored finish.

KEY FEATURES

- Open construction style keeps items visible
- Powder coated yellow to diminish abrasion
- Large capacity for securing large or small items
- Compact design to fit into crowded areas
