# Steel Alternating Crossover Ladder 20 Step 56 Degrees 129 In. x 115 In. 350 Lb. Capacity Yellow

**MODEL COLA-6-56-32**

Industrial Ladders / Alternating Step Cross-Over Ladders

## PRODUCT OVERVIEW

Mount this alternating step cross-over ladder where you need permanent access at crossover points. Alternating step design for shorter overall span than other units. The upper platform features removable two sided high handrail with mid-rail and fixed toe boards to prevent objects from rolling off. Includes lag-down points for securing to floor.

## KEY FEATURES

- Alternating step design offers shorter overall span than other units
- Pre-drilled lag-down points make installation quick and easy
- Two-sided hand railing provides adder user safety
- Meets OSHA rule 1910.25(f) et seq
