

Steel Hoist Mounted Drum Carrier/Rotator 55 Gallon 800 Lb. Capacity Blue

MODEL DCT-75

Drum Handling Equipment / Hoist Mounted Drum Carrier/Rotators

PRODUCT OVERVIEW

The drum carrier/rotator rotates and positions a fully loaded steel drum with ease. It can be either mounted to a hoist or fork truck. Unit features a chain crank that allows the operator to rotate drums that are out of reach and features a two position lifting bail. Drums are held in place with a drum locking system. Drum must be full to rotate at rated capacity.

KEY FEATURES

- Rotates and positions fully loaded steel drum with ease
- It can be either mounted to a hoist or fork truck
- Features chain crank allowing rotation of drums that are out of reach
- Drums are held in place with a drum locking system
