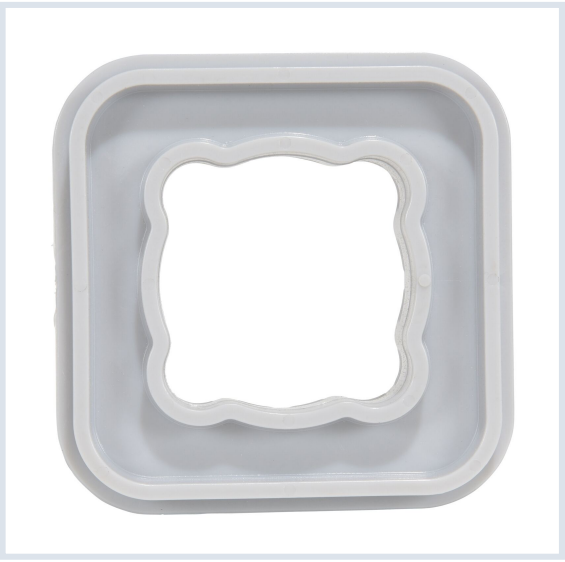
Polyurethane Floating Dock System Double Dock Spacer 2 In. x 2 In. x 1 In. Cool Gray

MODEL FDS-DDS-GCO

Industrial Carts & Dollies / Floating Dock System



PRODUCT OVERVIEW

A double dock spacer creates extra space between the pin and the block connector port. The spacer allows pins to easier meet the surface level of the dock blocks around it. A double spacer provides even more height to the connecting point.

KEY FEATURES

- Fills space empty space by joining block and pin
- Polyurethane construction
- Highly visible design
- Secures connection from pin to block
