Steel Shrink Wrap Roll Cart 80 In. x 40-15/16 In. x 46-13/16 In. 450 Capacity Blue

MODEL MSW-72-3

Packaging Equipment / Shrink Wrap Cart

PRODUCT OVERVIEW

The shrink wrap cart is a major asset in the packaging and shipping departments. A strong overall capacity and construction permits the user to transport large amount of shrink wrap from area to area, saving both time and energy. The cart rolls on swivel casters for smooth transferring and safe keeping on unleveled surfaces. A powder coat finish is included for added toughness in harsh conditions.

KEY FEATURES

- Rolls easily from workstation to workstation
- Braking capability holds unit in place while stationary
- Substantial capacity for carrying large bundles of wrap
- Robust finish for decreasing chance of surface wear overtime
